

**Paving the way to excellence**

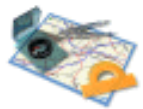

### THE ANNUAL FUND

An Annual Fund was started to make an impact in the overall educational experience of our students. These funds will be used to enhance the student experience and maintain the excellence that sets Redeemer apart.

Annual fund gifts will enable Redeemer Lutheran School to reach goals beyond what is covered by tuition dollars. The goals for the 2009-2010 Rattler Road to Excellence Fund can be found in this brochure.

The Annual Fund provides support to the general operating budget of the school. Your gift will help improve the quality of education and services that Redeemer offers. Budget supporting gifts are not restricted but benefit the whole school. As we pursue our mission, we hope you recognize how important your gift is to the future success and growth of Redeemer Lutheran School.
